

St. Jude Children's Research Hospital® is leading the way the world understands, treats and defeats childhood cancer and other life-threatening diseases. Everything we do is centered on our mission: Finding cures. Saving children.®

Families never receive a bill from St. Jude for treatment, travel, housing or food — because all they should worry about is helping their child live. St. Jude has helped push the childhood cancer survival rate from less than 20% when we opened to 80% today. We won't stop until no child dies from cancer.

St. Jude freely shares the discoveries we make, so one child saved at St. Jude means doctors and scientists worldwide can use that knowledge to save thousands more children. Join the St. Jude mission by visiting stjude.org or following St. Jude on facebook.com/stjude and twitter.com/stjude.
