The AutoZone Liberty Bowl is proud to showcase the life-saving work and mission of St. Jude Children’s Research Hospital, the world’s premier pediatric cancer research center. The Bowl’s spectacular halftime show will honor St. Jude patients, sending the St. Jude message to a national television audience on ESPN.

St. Jude is leading the way the world understands, treats and defeats childhood cancer and other life-threatening diseases. St. Jude freely shares the discoveries we make, so one child saved at St. Jude means doctors and scientists worldwide can use that knowledge to save thousands more children. Families never receive a bill from St. Jude for treatment, travel, housing or food – because all they should worry about is helping their child live.

St. Jude has helped push the childhood cancer survival rate from less than 20% when we opened to 80% today. We won’t stop until no child dies from cancer.
